Happy Valentine's A Gift From The Heart

by Loretta Clipperton Carnes

What are your plans for Valentines this year? Why not consider a gift truly from the heart that can brighten the lives of three individuals? The cost to you - about 1 hour of your time! ACT/UCT in Sudbury is hosting a blood donor clinic at the Canadian Blood Services on February 11. In our local ACT community, we have several members that have needed and are currently relying on donations of blood and blood products.

Did I hear someone say, I cannot give blood because....Did you know that you can still provide assistance in other ways. Canadian Blood Services needs volunteers - speakers to educate and share life experience, greeters to welcome and visit with donors, donations of baked goods (author's comment - the more sinful the better! ie Nanaimo Bars, fudge, date squares, cake etc).

Come out for an hour on the 11th of February to observe or participate. A member of your local ACT will be there to welcome you!

CDCS Health Claims Inc has committed 100% employee participation on this day. Can your office/business match this commitment!

For more information, please contact Loretta Clipperton Carnes 222-0369.

CHRISTMAS HAMS *by Gil Hartley*

This Past year the Christmas Ham Sales were a huge success. Given our concerns about the economy we pled with our "Herders" and "Hamsters" both old and new to put in that extra effort. Being good Commercial Travellers, they rose to the occasion. We are happy to report that sales were approx. 30% over last year. Farmers Joe, Rick and Gil. Thank you for your support. Our local Council's proceeds should help offset the cost of such programs as our Post Secondary "Named Scholarships" and the "House of Kin". On behalf of the Committee we thank you.
